

Mrs. B's Updates 4.25-4.29

Please read the following updates carefully and reach out with any questions you may have.

If your child has not obtained a copy of the book *A Long Walk to Water*, please make sure to do so this weekend. We have already started reading and have reached Chapter 5. Each student will need his/her own copy to continue next week. [Here is a link to order on Amazon.](#) **The public libraries also have several copies available to check out.**

[New Richland Spirit Wear is available here! Please pre-order by April 24th](#)

Upcoming Dates:

5.24- Mrs. B out for the morning

5.25- 4th grade Field Trip- **arrive at school at 7:00 am.** We will leave at 7:30am.

Below is a generalized testing schedule. The allotted time is definitive. However, the time below each subpart is the time that we think our homeroom students will remain in the classroom (includes a snack time). Snack times will be based on when EVERY student has completed testing (including students that have extended time due to 504 or IEP guidelines). Please be mindful of appointments during these two weeks if at all possible. Students who arrive after testing has started will not be admitted to the classroom and will have to make up the missed section at a different time in a different room. **Smartwatches and FitBits will need to be left at home for these two weeks.** They can be flagged as a discrepancy even with smart functions "turned off".
