## **Our Week**

**Math:** We will continue Module 7. We will resume facts quizzes for the next 2 weeks. Module 7 will bring back the application of multiplication in connection with conversions and measurement. We will have 2 more math assessments as well. We will take these assessments on May 4th and May 11th. The first one will be addition, subtraction, multiplication and division computation only. The second one will be application word problems with mixed operations. We will not send home a study guide for the final 2 assessments, but will review in class prior to taking the assessments.

-Lesson 4: Solve multiplicative comparison word problems using conversion tables

-Lesson 6: Solve problems involving mixed units of capacity

\*Computation review assessment

-Lesson 7: Solve problems involving mixed units of length

-Lesson 8: Solve problems involving mixed units of weight

**Reading:** Homework Resumes this week

Grammar/Spelling- Reading Passage and Editing Task for homework May 2-May 13.

Review Standards: Summarize. Context Clues, Character Analysis, Events in a Story

We will begin reading our book, "Bud, Not Buddy," for our Book Report. Students will work in groups to read and complete tasks for the week.

**Social Studies:**

**4-01 will begin reading A Long Walk To Water by Linda Sue Park. We will have quizzes on the daily reading as a recaps and learn about the Geography of Africa as well.. [Here is a link to order on Amazon.](#) The public libraries also have several copies available to check out.**
