We will not have any more math homework this year.

Now that we are in the 4th quarter, homework will increase to 3x weekly on Tuesdays, Wednesdays and Thursdays. It is due back on Wednesdays, Thursdays and Fridays. Assignments may include workbook pages and specific problems from the assessment practice. This is in an effort to prepare for the expectations of middle school. I will no longer send out reminders that homework or a project is due. Please develop a routine to ensure that the work is completed at home in pencil and is returned to school on the due date. Homework passes may not be used on Topic Assessment Practice pages.

Math Reminders/Procedures:

-Please review multiplication facts. 5-10 minutes nightly reviewing facts as well as factors vs. multiples would benefit all students.

-Please remind students to arrive at class on time with all necessary materials. Ask your student what may need to be replenished- dry erase markers, pencils (no mechanical pencils), cap erasers etc. **A conduct mark will be issued to students without supplies. Students may not use a pen on any assignments in math class. Points will be deducted if a pen is used.**

This week: 6th grade skills

Absolute Value, Standard Deviation and Mean, Median Mode Range and Outlier

Students may complete IXL Lessons at home using any computer. Passwords have been distributed. Students can find assigned lessons under the Recommendations by Your Teacher Tab in IXL.

These are not mandatory, simply extra practice. Your student also has Teacher Assigned iReady Lessons based off of the most recent iReady Fall Math Diagnostic.
