

Classroom Expectations and Procedures 2022-2023

Mrs. Wallace Room 222

"Mathematics is not a spectator sport. You must participate and be involved to improve your ability and knowledge." I am here for YOU - for you to succeed and to enjoy this class. I will be utilizing the following EXPECTATIONS and PROCEDURES in our classroom:

CLASSROOM EXPECTATIONS:

- Show respect for ALL people.
- Be prepared for class before it starts.
- Follow directions the 1st time given.
- Abide by the Student Handbook rules.

CONSEQUENCES:

- Verbal warning
- Conference with student
- Parent contact/conference
- Referral

PROCEDURES:

- **Beginning of Class:** You should be ready to work at the beginning of class.
 - Place your **cell phone** in your book bag—it needs to be out of sight. We will NOT be using phones in the classroom unless you are given permission. We will utilize MSCS devices. Cell phones are distracting to the learning environment. If you have your phone out during instruction, you will receive one warning; after that, you will receive a discipline referral. Confiscation of the phone may also occur. If your phone is seen during an exam, you will receive a zero for the exam.
 - Read the **daily agenda** posted on the board. Please have your materials ready to go: assignment, pencil, calculator, computer charged, etc.
- **Station Rotation:** Procedures will be discussed when stations are being utilized and can change depending on the activities.
- **Make-up work:** If you are absent, it is your responsibility to make up all the work that you missed.
- **Food/Beverages:** Only water is allowed. Food is NOT allowed.
- **Restroom Policy:** Please try to use the restroom between classes. Restroom use during class should be limited to emergencies only. We are using the **15/15 Rule**.

❖ Procedures may be adjusted as the year progresses.
