

Mt. Pisgah

Early College High School

The core mission of Mt. Pisgah Early College High School is to provide rigorous educational opportunities that foster academic success and problem-solving skills.

- STEM based & Information Technologies
- Advanced College Course Work
- Dual Enrollment & Career Coaches

College & Career Ready

Mt. Pisgah Early College High School will welcome its first class of 9th graders during the 2022-23 school year. We will offer honors, AP, and dual enrollment courses via STEM technology pathways.

Students will have an opportunity to earn a High School diploma and Associate Degree simultaneously in partnership with Southwest Tennessee Community College and the University of Memphis.
