What is Title 1?

Title 1 is a federal program which provides additional funds above and beyond the funds provided to every Memphis-Shelby County School. The funds are provided to schools that have a certain percentage of socio-economically disadvantaged students. Westwood High School is qualified to receive these federal funds.

Title I serves to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and state academic assessments.

Title 1 (Facts)

- **Title 1** provides funding to assist in increasing Parental Engagement: Parent Meetings/Trainings and Light Refreshments
- **Title 1** provides funding to assist and support our Instructional Programs by purchasing instructional supplies. However, supplanting is not allowed.
- **Title 1** provides funding to support Professional Development. Redelivery of P.D. information is required once Professional Development has been completed.
- The funds provided by **Title 1** help us to provide the various necessary resources and support to all students at Westwood High School. Without these funds, additional items and resources would not be readily available.
