Dear Parent or Guardian,

Under the federal Every Student Succeeds Act (ESSA), the Tennessee Department of Education is required to use school accountability results to identify schools with the lowest performance in the state as Comprehensive Support and Improvement (CSI). These schools will receive additional support from the department.

I am writing to inform you that Fairley High School is identified as a Comprehensive Support and Improvement (CSI) school in accordance with Every Student Succeeds Act (ESSA) and the U.S. Department of Education for the 2024-25 year.

To address this designation, we are working closely with Memphis Shelby County Schools and the Tennessee Department of Education to increase student growth and achievement.

Dr. Steevon Hunter
