

DO NOT wait until Monday to log on for the first time.
This initial login and setup will take some time.
Please call (901) 416-5300 for IT Help.

1. Power On

Press the button on the side to power on the device.

2. Swipe Up

Swipe up on the screen to prompt the login screen.

3. Log In

Log in using your PowerSchool username and password. The username is a 6-digit number. The password is your date of birth in the format of MMDDYYYY, with no spaces.

4. Click on Teams

Click on the Teams Icon to open the app

5. Click on your Homeroom Team

6. Click on Join

You should see a "Meeting in General" box with the option to Join
