COLLEGE & CAREER ACADEMY

*From the Desk of Mrs. Herring, Graduation Coach*

Dear G.W. Carver College & Career Academy Parents/Students,

My name is Mrs. Herring, and I am the Graduation Coach at G.W. Carver College and Career Academy. I am responsible for assisting your child toward their goal of graduating and being post-secondary ready upon graduation. My mission is to work closely with your child, the professional school counselor, faculty/staff to ensure your child achieves this goal.

In my role as a Graduation Coach, I identify potential barriers to graduation, develop and implement individual intervention strategies, and work with students/family to develop a graduation and achievement plan to include the best programs to meet academic and post-secondary goals. I provide direct student support and case management to match each student's individual needs. One of my main goals is to motivate students to focus on their graduation plan.

Please feel free to contact me with any questions or concerns you may have regarding your child's academic path at G.W. Carver College and Career Academy.

*Carver Strong,*
