I am honored to serve the Keystone Cougar family as your new Principal. As we rapidly prepare for the start of what I believe will be a great school year for students, staff, and parents. We will work together as a community for the best possible results for all students entrusted to our care.

Our 2022-2023 school theme is G.R.O.W., which encompasses reaching the academic *Goals* of Memphis Shelby County Schools for all students of Keystone. Being *Reflective* of the past while embracing a rewarding future, as we ensure that you are able to connect with your student's teacher and administrative staff, to grasp every *Opportunity* as it relates to your child's education and wellbeing. We must and we will *Work* together for the students of Keystone Elementary.
