### LEVEL UP! WORD CHALLENGE!

**Dear Parents,**

**Practice these sight words as much as you can and/or are able to. Call out the words while your child spells them out loud or writes them down. The lists start easy (kindergarten level words) and get more and more difficult as the lists go on. When your child has studied and is ready to be tested, they can be tested one list at a time each week. They can test once a day (maximum) or once a week (minimum). Put a check if they pass that level & are ready to move onto the next level or a check if they need to practice a little more until moving on to the next level. They must be able to get 9 out of 10 correct to move on to the next level. If they are able to say and spell the word add plus 1. If they get a word incorrectly, place a dot beside it to help you practice with them that night.**
