

Instructional Culture Insight Report for

All

Instructional culture is essential for student success. Schools with strong instructional cultures tend to have strong student outcomes and retain more of their most effective teachers. The teacher perspectives reflected in your Insight survey results provide valuable information you can use to improve your school and pursue your leadership priorities.

Navigating your report

Use the tabs at the top to explore your data and answer your questions. Access via computer or tablet for optimal formatting.

Hover over the info icon on each tab for an explanation of the data and guiding questions to help interpret your r.. 

Watch a 7-minute video overview of the report features. 

Make a plan using this reflection guide. 

Still have questions? Visit the Insight Help Center for FAQs and resources. 

Acting on your data

Understand your school's instructional culture

The *Focus Areas* tab helps you to understand your teachers' perspectives on different aspects of instructional culture, and how they compare to the perspectives of teachers at local exemplar schools.

Monitor progress on priorities

The *Trends over Time* tab provides school-wide trends over time to help assess your school's progress in priority areas.

Support teacher retention

The *Retention and Index* tab can help inform your strategy for retaining the strong teachers at your school.

Hear concrete ideas from teachers

The *Teacher Comments* tab shows your teachers' ideas for what most helps them impro..

Sharing Insight results with others

Teacher feedback from Insight is most useful when it is incorporated into existing school improvement efforts, and when teachers know their feedback was heard. Here are some easy ways to share Insight results with teachers and leaders at your school.

Visit the "Share Results" page on the Insight Help Center (linked above) for templates to use in a teacher debrief.

Download any data to Excel or print any chart as a picture. Click the chart of interest, then select *Download* at the top right corner of the screen.

Print all your data to a PDF report. Click on the icon below to go to the print-friendly report, then follow the print instructions at the top left.

Survey Response Rate Spring 2020

Response Rate	89%
Respondents	24
Recipients	27
