

CAP & GOWN pictures will be taken of your Kindergarten & 5th Grade students on **Wednesday, March 27, 2024**

Holland Studio highly recommends the following suggestions to ensure the best portrait of your child in the outfit provided for this event.

Boys:

Please send or dress your son in a light colored button down or dress shirt (**PREFERABLY WHITE**) and a tie. Ties will be on hand in case one is forgotten.

Girls:

Please do not put your daughter's hair in a style that sits on top of her head (**High Ponytails/Buns**). Also, please try to avoid **bows** and **large barrettes**.

This prevents the hat from fitting properly on the head.

** All students in kindergarten and 5th Grade will be photographed. If you would like to order, you **MUST** prepay on our website. Orders will be delivered back to school within 3-4 weeks of the photo day. You may use the QR code below to access the website!
