

Kindergarten Summer Project

We want to know what you did this summer with your family. Did you go to the zoo? Go on a picnic? Go on a vacation? Visit a relative? Play at the playground?

Directions: Bring us a picture that was taken, or drawn, of something that you did this summer. It can be 1 picture or multiple pictures. You need to write about that adventure. Did you enjoy it? Why was it fun? Why was it not fun? What did you do? Bring it to school on your first day. We can't wait to hear and read about your adventure. Remember this is something you did with your family. Have Fun!!!!!!

Academic Skills for Kindergarten

- recognize and name basic shapes: square, circle, triangle, and rectangle
- recognize and name numbers 1-10, even when they are out of order
- count to 20
- count 10 objects, pointing to each one as she counts
