

Greetings DTE Families,

Happy Friday!❤️ We have finally made it to Spring Break! 🌈🌸🍷
School will be closed **Monday, March 29th- Friday, April 2nd**. Please enjoy your Spring Break and be safe!

A few reminders...

1. DTE staff will check children's temperatures in the morning car-rider line **until 8:25 a.m.** After 8:25, the parent or guardian must walk the child to the front door and wait until a staff member has checked the child's temperature.
2. All students who arrive to school **after 8:30 a.m.** will be marked tardy. Please be mindful, that per SCS policy, students who accumulate a significant amount of tardies will be referred to truancy.
3. Lastly, all parents/guardians must call the school **before** making a visit. This includes checking out children for early dismissal. It is imperative this policy is followed to ensure everyone's safety during the pandemic.

Please be mindful that students **MUST wear masks while they are at school**. This is a non-negotiable safety practice. This protocol helps to keep your child as well as all children, teachers and staff safe during the pandemic. **In the event that your child refuses to wear a mask, the parent will be contacted immediately.**

We appreciate your cooperation and support with this matter. We want everyone to remain safe. It takes a team effort to ensure this happens.

Thank you for your continued support.

Principal Williams
