INSTRUCTIONAL RESOURCES / SOCIAL EMOTIONAL LEARNING RESOURCES

## SOCIAL EMOTIONAL LEARNING

As our District and community continue to cope with COVID-19, we recognize that many students and families are experiencing anxiety and a range of other emotions. Self-care and emotional self-regulation are especially important during these uncertain times, so the District is providing a variety of resources to support students and families.

Included below are several videos and podcasts explaining the importance and impact of SEL and helpful strategies and activities families can use at home. A variety of SEL resources are also available on the [CASEL website](#). CASEL is the Collaborative for Academic, Social and Emotional Learning. Plus, SCS has launched two new support lines so students and parents can contact school social workers and counselors around the clock for resources and assistance with social emotional concerns.

# How to View Your Student's Schedule

## Step 1:

Login in using your personal username and password.

\*Tip: You may use the PowerSchool app OR go to: <https://scstn.powerschool.com/> from your computer or mobile browsers.

The screenshot shows the PowerSchool SIS login interface. At the top is a dark blue header with the PowerSchool SIS logo. Below this is a white section titled "Student and Parent Sign In". It features two tabs: "Sign In" (selected) and "Create Account". The login form includes a "Select Language" dropdown menu set to "English", a "Username" text input field, and a "Password" text input field with masked characters. A link for "Forgot Username or Password?" is located below the password field. A blue "Sign In" button is positioned to the right of the password field. At the bottom of the page is a white box containing the Shelby County Schools logo, the school name "Shelby County Schools", and contact information for the Office of Student Services.

# How to View Your Student's Schedule

## Step 2:

Your child's name should appear at the top of the screen. Scroll down the left column until you find the tab for MY SCHEDULE. Click on this tab.

The screenshot displays the PowerSchool SIS web application. At the top, the header includes the PowerSchool SIS logo, the user name 'Welcome, David Doss', and links for 'Help' and 'Sign Out'. Below the header is a dark blue navigation bar with the name 'Sophie' and several icons. A left-hand navigation menu is visible, listing various options: 'Online Education', '2020-21 Returning Student: Verify and Update Info', 'New Student Registration 2020-21', 'Account Preferences', 'Grades and Attendance', 'Grade History', 'Attendance History', 'Email Notification', 'Teacher Comments', 'School Bulletin', and 'Class Registration'. The main content area is titled 'My Schedule: Doss, Sophie Lynne'. It contains a message box stating: 'Your schedule will be available to see in the PowerSchool Portal after 08/24/2020. Please come back after 08/24/2020 to see your schedule. Thanks!'. Below this message is a large, empty rectangular box, likely intended for the schedule display.

# **How to See Your Student's Schedule**

## **My Schedule**

There are two ways to display a student's schedule. The [Week View](#) displays the student's schedule for the current week. The [Matrix View](#) displays the student's schedule for the selected term in a graphical format.

## **How to View a Student's Schedule Using the Week View**

On the start page, click **My Schedule** from the navigation menu. The My Schedule page appears.

Click the Week View tab, if needed. The Week View page displays the student's schedule for the current week, using unique colors to distinguish each course.

## **How to Display a Student's Schedule Using the Matrix View**

The schedule matrix graphically represents a student's schedule for all days, periods, and terms in the selected year for the current school.

On the start page, click **My Schedule** from the navigation menu. The My Schedule page appears.

Click the **Matrix View** tab. The Matrix View page appears. The schedule matrix view displays the student's schedule for each period and day in each term. Identical colors on the schedule indicate the same course. A blank block means that nothing is scheduled for that block in that term. Each block can include the following information, depending on the matrix display preferences: course name, course number, section number, teacher name, room number, expression (the combination of periods and days), and year term.

During live learning parents are expected to adhere to policies and rules set forth by the District and your respective school.

Maintain communication with your children's teachers and school counselors.

For **Response to Intervention**, parents are expected to do the following:

- Monitor school and district communications for important information regarding RTI2 assessments and intervention.
- Ensure child identifies Clever username and password to access illuminate FastBridge, i-Ready (K-8), Edgenuity (9-12).
- Maintain communication with your child's teachers. Review your child's progress (EdPlan, Parent letter, i-Ready (K-8), and Edgenuity.

## **Parents Responsibilities During Virtual Learning**

### **Monitor your child's online instruction.**

Foster an environment conducive to learning by developing the following:

- Establish a quiet digital learning and study area.
- Set a regular time for completion of assignments.
- Assist with assignments.
- Ensure quality time is allocated to completing assigned assessments.
- Pick-up mobile device and a hotspot, if needed.
- Monitor school and district communications for important information regarding RTI2 assessments and interventions.
- Ensure your child identifies Clever username and password to access Illuminate FastBridge, i-Ready, (K-8), or Edgenuity (9-12).
- Maintain communication with your child's teacher.

## Attendance Requirements: How to Submit Absences/Tardiness

- All Students will login to HR via Microsoft Teams from 8 a.m. – 3 p.m.
- Students who are **late** will be marked tardy in accordance with SCS/TMS Code of Conduct.
- Students who have valid technical difficulties with their laptop or internet connection will not be marked tardy.
- Students who are **more than 15 minutes late** for any class will **require** a parents note that must be emailed to [treadwellmiddleschool@gmail.com](mailto:treadwellmiddleschool@gmail.com). The GOS will input information into PowerSchool.

# Directions for accessing Clever Online Tools at Home

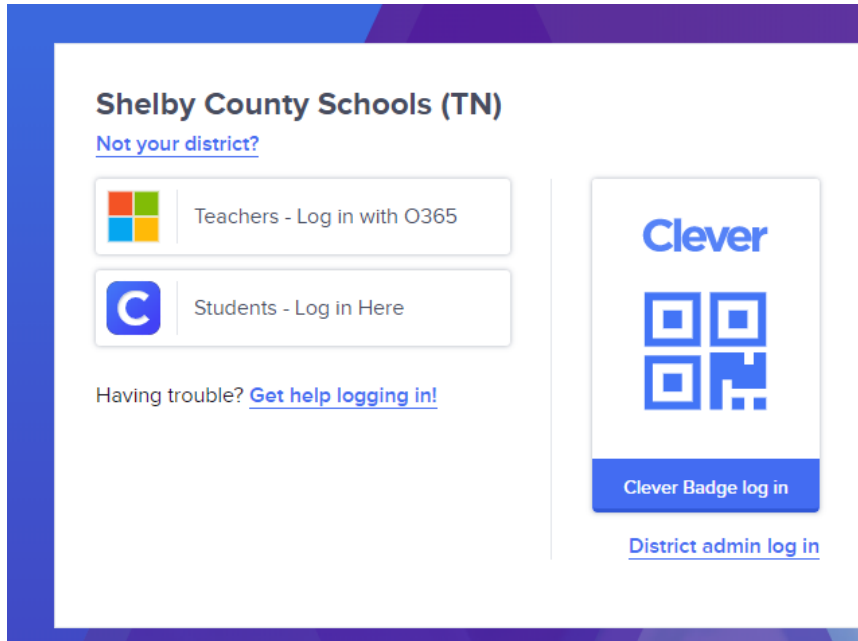

## What is Clever?

Clever is a tool that allows students to use one login to access all of their district learning applications in one place.

## What can students access in Clever?

Students can access all district wide online applications that are used to support their learning. This includes Google Classroom, the primary tool that many teachers use to share, track, and assess digital assignments with their classes.

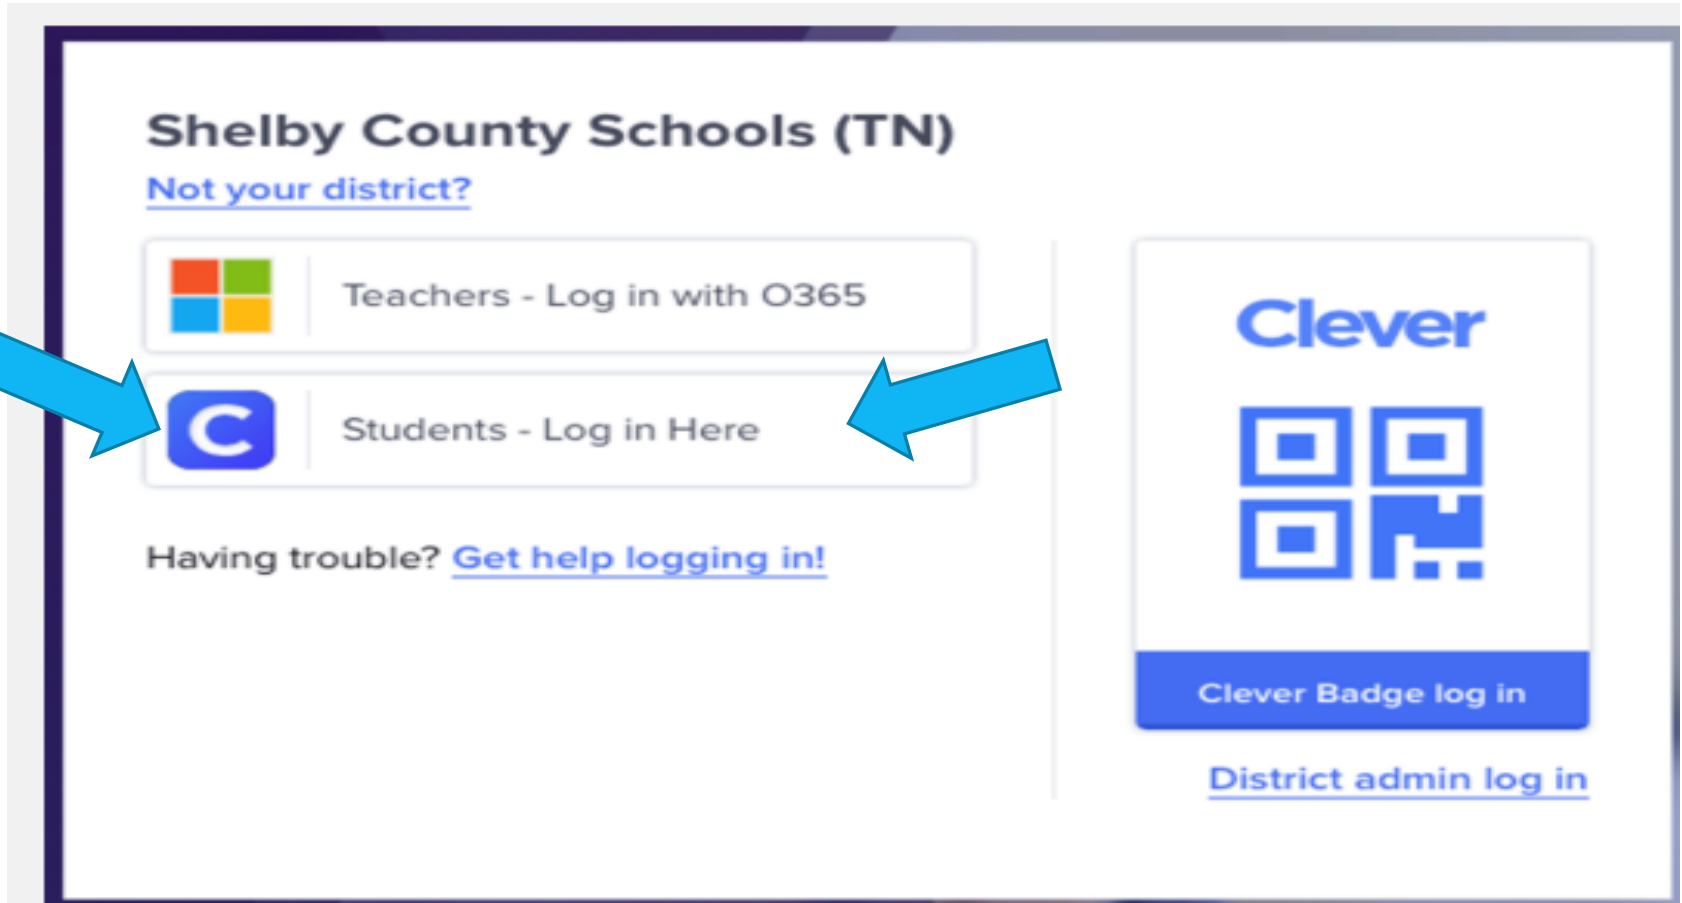

- These programs are used every day in our schools. Students are very familiar with them, so they're great for at-home enrichment.
- **i-Ready for Grades K-8**
- For ELA & Math Lessons
- Student Login <https://clever.com/in/scs>
- Student Username: 6-Digit PowerSchool ID
- Student Password: Date of Birth (MMDDYYYY)

## **OTHER RECOMMENDED RESOURCES**

There are many additional online tools that can also support students' learning at home. These resources are organized below by grade band (K-5, 6-8 and 9-12) in the following subjects:

- English/Language Arts
- Math
- Science
- Social Studies
- RTI
- Health, PE & Lifetime Wellness
- Fine Arts
- World Language
- Library Services

**Some of these programs and resources are accessible through the student clever account, which can be accessed from any device with internet. Here are the login instructions for clever:**

- Student Login: <https://clever.com/in/scs>
- Student Username: 6-Digit PowerSchool ID
- Student Password: Date of Birth (MMDDYYYY)

**In addition to our dedicated [resources for English learners](#), students can use [these tools](#) for online translations, visuals for content areas and video lessons to assist in accessing all of our K-12 digital resources and learning guides.**

## **How to view weekly grades/conduct/attendance**

Click the **Details** icon next to the teacher's name to view the details about the teacher. The Details About [Teacher] pop-up appears. To send e-mail to a teacher, click the name of the teacher. When done viewing, click the **x** to close the pop-up.

**Note:** To use the email function, your web browser must be properly configured to automatically open an e-mail application, and the e-mail application must be properly configured to send messages.

To view grade details, click a grade in the term column. The Class Score Detail page appears.

To view assignment details, click a grade in the term column. The Class Score Detail page appears. Click an assignment under the Assignment column. The Assignment Description page appears. Use the browser **Back** button to return to the Grades and Attendance page.

**Note:** Icons indicate the status of assignments. For more information, see the icon legend at the bottom of the page.

## How to view weekly grades/conduct/attendance

To view the absences or tardies for the selected class during this term, click a number in the Absences or Tardies column. The Dates of Attendance page displays all absences or tardies for that class.

To view the absences or tardies for all classes during this term, click a number in the Attendance Totals row. The Dates of Absence or Dates of Tardies page displays all absences or tardies. Use the browser **Back** button to return to the Grades and Attendance page.

To view total absences or tardies for the semester or for the year-to-date, click a number in the Absences or Tardies column in the Attendance by Day section. Depending on your selection, the Dates of Attendance page displays the total absences or tardies for the semester or for the year-to-date.

Use the browser **Back** button to return to the Grades and Attendance page.

## **Support and Trouble Shooting**

For Internet connectivity issues on your SCS device, first restart the device. Click the “windows” button in the lower left corner, select “power,” then click “restart.”

- If Internet connectivity issues persist, contact your internet service provider (ISP).
- For device hardware or software functionality issues, first restart the device. Click the “windows” button in the lower left corner, select “power,” then click “restart.”
- If device hardware or software functionality issues persist, contact your school representative/or contact the Parent Welcome Center at (901) 416-5300 and choose option 2; the “Help with your Computer or Hotspot” option for further instruction and support.

SCS is expanding learning possibilities by providing 95,000 students with a personal device to support virtual instruction in 2020-21. The digital device plan aligns with our commitment to student equity and 21st century learning to prepare students for college and careers.

## RESPONSIBILITY

- Families are responsible for the proper care and maintenance of their SCS device(s), as outlined in the Student-Parent Handbook.
- Families are responsible for the reasonable cost of repair or replacement of lost, stolen or damaged devices.

## DIGITAL CITIZENSHIP

We will be teaching students about the responsible use of computers and the Internet, focusing on protecting themselves, protecting others and protecting content:

- Basic online safety, protecting accounts & device care
- Safe practices for social sites, sharing appropriate content & protecting personal info
- Treating others with respect & behaving ethically online
- Effective use of online content & avoiding plagiarism

## DEVICE SAFETY & SECURITY

Devices will have pre-installed features to ensure the security of content and safe use for students:

- Software to locate/lock devices & delete files when necessary
- Content filtering software to block harmful content online
- Antivirus protection software to prevent malicious viruses

## INTERNET ACCESS

Internet access is necessary for live virtual instruction and to access various web-based learning platforms at home. Families who meet specific criteria will receive an SCS Internet hotspot:

- Student qualifies as Direct Certified / Economically Disadvantaged
- Student is in grades 1-12
- Student has not already accessed SCS online resources

GET FACTS, RESOURCES & MORE:  
[SCSK12.ORG/ACCESSFORALL](https://scsk12.org/accessforall)

## QUESTIONS

WHO OWNS THE DEVICE?  
The device is owned by SCS.

IS THERE A COST?  
There is no fee for families in 2020-21. The only potential costs would be due to device damage or if the device is lost.

WILL STUDENTS BE TRAINED TO USE THE DEVICE?  
Yes. Students will receive continuous training, materials and video instruction on the responsible use of digital devices and platforms, online safety and Digital Citizenship tailored by grade level.

IF I AM NOT ELIGIBLE FOR AN SCS HOTSPOT, HOW CAN I GET HOME INTERNET ACCESS?  
You can find several low-cost home internet options at [scsk12.org/accessforall](https://scsk12.org/accessforall).

WILL DIGITAL LEARNING REPLACE TEACHER INSTRUCTION?  
No. Students will continue to receive live daily teacher-led instruction. The devices will expand and enhance learning opportunities and outcomes.

TECHNICAL SUPPORT

SCS está ampliando las posibilidades de aprendizaje al proporcionar a 95,000 estudiantes un dispositivo personal para apoyar la instrucción virtual en 2020-21. El plan de dispositivos digitales se alinea con nuestro compromiso a la equidad de los estudiantes y el Aprendizaje del siglo XXI para preparar a los estudiantes para la universidad y las carreras.

## RESPONSABILIDAD

- Las familias son responsables del cuidado y mantenimiento adecuados de sus dispositivos de SCS, como se describe en el manual de estudiantes y padres.
- Las familias son responsables del costo razonable de reparación o reemplazo de dispositivos perdidos, robados o dañados.

## CIUDADANÍA DIGITAL

Estaremos enseñándoles a los estudiantes sobre el uso responsable de las computadoras y del Internet, concentrándonos en protegiéndolos a sí mismos, protegiendo a los demás y el contenido:

- Seguridad básica en línea, protección de la cuenta y el cuidado del dispositivo
- Prácticas seguras para sitios sociales, compartir contenido adecuado y proteger la información personal
- Tratar a los demás con respeto y comportarse éticamente en línea
- Uso efectivo de contenido en línea y evitar el plagio

## SEGURIDAD Y PROTECCIÓN

Los dispositivos tendrán funciones preinstaladas para garantizar la seguridad del contenido y el uso seguro para los estudiantes:

- Software o programa de seguimiento para localizar y inmovilizar los dispositivos, eliminar archivos cuando sea necesario

# **Damaged, Lost, or Stolen Devices**

## **How to report lost or stolen devices**

Driven by SCS Board Policy #6047, liability and financial responsibilities are defined in the SCS Digital Device Loaner Program agreement form that is signed when devices are distributed. **In the event of loss or theft, a police report must be filed and provided to the school, and a school representative must be contacted within 24 hours after the occurrence. A charge of \$75 is assessed the first three times a student loses a device. The student is responsible for the full replacement cost of the device upon the fourth instance in losing the device.**

Direct certified economically disadvantaged students can request a fee waiver at any time.

# **Damaged, Lost, or Stolen Devices**

## **How to report lost or stolen devices**

If a device is lost or stolen anytime outside of school, parents should take the following steps:

**Step 1.** Contact the police right away to file a claim for lost/stolen property. **Be sure to get a case number and/or incident number from the responding officer.**

**Step 2.** Contact the representative at your child's school during classroom hours and/or contact the **Parent Welcome Center at 416-5300** and choose the "Help with your Computer or Hotspot" option to report the lost/stolen property.

**Be ready to provide them with the case and/or incident report number which you obtained from the responding officer.**

## **How to report lost or stolen devices**

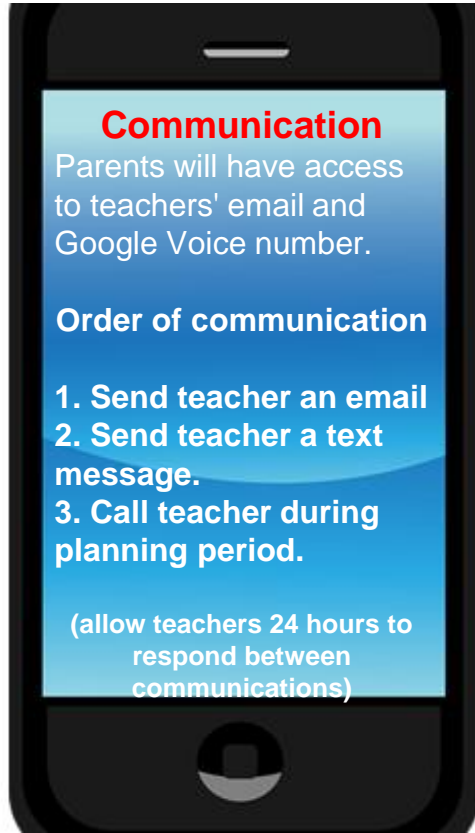

Please note that all devices are equipped with tracking software for recovery purposes in the event that devices are lost or stolen. Devices will be disabled in the event that they are lost or stolen.

### **Responsibilities**

The use of a District device, telecommunication, and network resources may be revoked at any time. Violations may result in disciplinary action under the guidelines and through the authority of the SCS Board and its policies. If the device is damaged because of negligence, the student may be responsible for up to the full replacement cost of the device. Do not attempt to disassemble or repair the device.

## How to Contact the Teacher

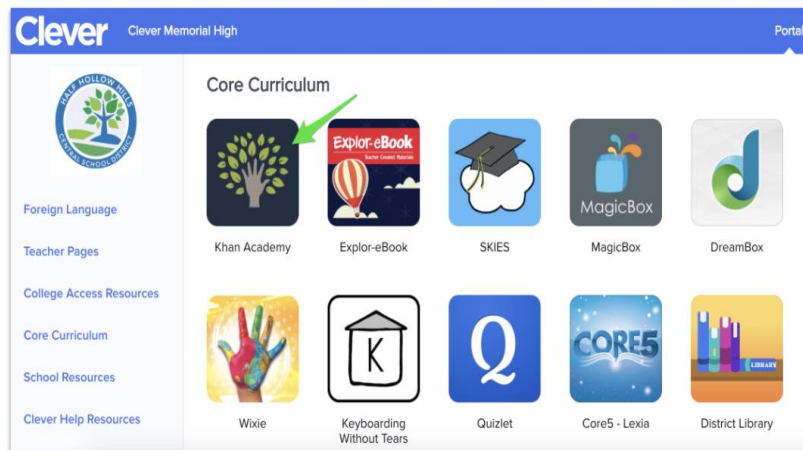

Parents and teachers are two of the most influential contributors to a student's educational success. We know that good communication between student/teacher and parent/teacher are two major keys to educational success.

## **Keep your software up-to-date**

Your computer will prompt you if there are software updates. It is important that you keep your software up-to-date, including your operating system to fix bugs, glitches, and vulnerabilities of the previous version. They also strengthen the security of your computer. Some computers perform automatic updates.

## **Clean your computer screens**

When we tend to overuse the computer, we forget cleaning the computer externally, especially the screens. Like any other appliances, computers need regular cleaning. We advise that you use a soft cloth or special wipes in cleaning your computer screens and some other external parts of your computer. Get rid of dust, smudge, dirt, etc.

## **Take care of your battery**

Laptop batteries do not last a lifetime. But you can extend its lifespan by taking good care of your battery. Avoid overcharging your battery. If it reaches 100%, make sure to unplug it. If you are not using your laptop, it is also recommended to remove the battery pack.

## **Use a surge protector**

Surge protectors are special appliances or devices that protect appliances, including the computer from voltage spikes. They limit the voltage supply, by blocking or shorting, to avoid the power from exceeding a safe threshold. It is a safe practice for your laptop or computer, especially when they are plugged into the power supply.

## **Protect your desktop**

When we say “protect”, we meant literal protection. Buy cases or bags where you can safely store your laptops especially when traveling. Moreover, cover your desktop computer with a cloth. This can keep your computer away from dust.

## **Avoid eating near computers**

This is a must! Avoid eating near your computers, or better, do not eat while using your computer. Food crumbs or pieces may get into your keyboard and other parts of your computer which will attract ants, termites, and other insects. If this happens, the insects might destroy some internal parts on your computer.

## **Consult your school or district computer expert**

Lastly, always ask a computer technician about your computer health. If you want to be 100% sure that your computer is doing okay, bring your unit to your school or district PC technician. Let them do the rebooting or reformatting, defragmentation, troubleshooting, and complete computer maintenance.
