SCS Mission & Vision

Mission

- We are committed to preparing well-rounded graduates who compete globally, and who persevere through challenges, think critically, advocate for and drive their own learning experiences, and collaborate effectively with diverse peers.

Vision

- Every day, Shelby County Schools students experience high levels of success with challenging content in our classrooms and show consistent academic growth and achievement each year.

WSE Mission, Vision, & Beliefs

The mission of the White Station Elementary community is to provide a high performing learning environment that prepares students to become college and career ready.

White Station Elementary is a competitive, high-performing school that partners with stakeholders to produce college and career ready students.

The White Station Elementary community believes:

- All students can learn.
- All students can become college and career ready.
- Each student is a valued individual with unique physical and intellectual needs.
- All students should be provided a variety of instructional strategies to challenge and support their learning.
- Mutual respect is essential among students, teachers, parents, administrators, and stakeholders to foster a productive learning environment.
- Students, teachers, parents, administrators, and stakeholders share responsibility for holding high expectations regarding learning and advancing the school's mission.
