

2023 AP Physics Summer Work

Please use the following join codes to add yourself to the appropriate summer team. Click on the “join or create a team” at the bottom of the left hand column. Enter the code for the class(es) you plan to take. 1st year students should only join AP1-Mech. Most 2nd year are only in E&M. Some 2nd year may be doubling up with AP2 and if you are not sure, join both. The assignments are not that bad. Contact me at cornellm@scsk12.org with questions.

Summer AP1-Mech 2023 – 1o2rodv

Summer AP2 2023 – 9trm0vv

Summer E&M 2023 – o0wm4j2
