

5th Grade Weekly Newsletter

Week of: April 20, 2020

Sherwood Archers: We hope that all is going well with your families. Please remember to follow the CDC guidelines. We will get through these trying times. These enrichment activities will help the scholars stay on track while school is closed. Thanks for all your support. #staysafe

Weekly Journal Prompt: Write a paragraph about something you want to learn to do. Explain what you would like to learn and why.

Guidance: A Note from Counselor White: Remaining Positive

Library: Read your favorite book to your family.

As our society continues to fight against COVID-19, many families are facing different issues such as illness, hunger and loss of employment. Our activity this week will help us to remain positive and be thankful for everything that we have. Students should record three good things that happened to them each day for a week. On Friday, students should read over the list and reflect over all the positive things in their lives. This activity helps us to focus on the good things that continue to occur in our lives, instead of focusing on the negativity we may see in the world.

Music: Listen to a new song that is a different genre or type of music that you normally listen to on the radio.

P.E.: Get at least an hour of exercise daily (ex. basketball, running, jump rope, soccer, dance, www.gonoodle.com)
