

Uniform Policy

On October 18th, following Fall Break, we will begin full enforcement of the uniform policy. Overall, students have been doing a great job adhering to the relaxed policy, however, we need to place particular attention on the following areas:

1. Skirts and dresses are not allowed.
2. Jeans/Pants with rips or tears exposing the skin are not allowed.
3. Long or short leggings of any kind are not allowed.
4. Shirts exposing the stomach, tanks tops, etc. are not allowed.
5. Length of shorts is required to be at least mid-thigh in both front and back while sitting or standing. Mid-thigh is defined as the point on the leg beyond the fingertip with arms and fingers fully extended at the sides.

Make sure devices are charged and brought to school
each day
