Another way that you can encourage students to stay engaged is to work on ACT Prep. Every SCS high school student should have access to this platform. You can use the Grade Results website to access practice for all 4 subtests. Here are the instructions:

Go to **Clever.com**
Go to **Student Login** - follow the prompts

Username: (student ID/Lunch number)
Password: (8 digit DOB with no dashes)
- Scroll down to "test Prep" and click on Grade Results
- Scroll down Grade Results to the courses.
- Click "Start" next to the ACT Prep course.
- You will begin the course with a "Course Pretest", which will determine what skills and activities will be most beneficial to you.
- The password for the pretest is: **acttest**
