

Below you will find the information and resources for 4/13 to 4/17:

- www.quill.org
 - Students can login to their accounts. Let Mrs. Thomas know if you need information about how to create an account and join our class.
 - I added about 26 lessons this morning. Very few students have finished the 50 that were previously assigned, but I wanted to make sure everyone had content to choose from.
 - Students can work at their own pace with this resource, and I recommend using a laptop to engage typing skills and grammar instruction simultaneously.
- www.commonlit.org
 - This week's lesson focuses on "Jabberwocky" which is my favorite poem of all time, so I'm excited to be able to present that to my students.
 - I am attaching the PowerPoint for the lesson, and it includes voice overs on most of the slides so I can give additional support to students.
 - Students should go through the PowerPoint BEFORE the Common Lit lesson. I only had 2 students email their activities from the PowerPoint last week, and I am SO proud of their hard work--I hope more students will join them in that effort this week!

If you have questions or need additional support in any way, please email Mrs. Thomas at thomasn3@scsk12.org.
