If you have any questions regarding registration, we encourage you to contact our Office of Student Services - (901) 416-6007.

Thank you!
Shelby County Schools

Parents will find the survey by clicking on the left side tab called "WIDA ACCESS"

Parents can then see the survey:
WIDA Test Registration 20-21

Sign up below for your student to take the WIDA English Language Proficiency Assessment.

Please answer the following 2 questions: WIDA ACCESS must be given in person inside a school building.

I agree that my child may take the WIDA ACCESS test for ONE day inside our school building on the date my school designates we do so. I understand that measures will be made to ensure my child's safety.

I do not wish for my child to go into the school building for one day to take the WIDA ACCESS test.

School personnel will reach out to you directly to let you know your child's test date and bus information if your child qualifies to ride the bus. Transportation: How will your child get to school for WIDA ACCESS?

We live in the Parent Responsibility Zone (PRZ). I (or a family member) will bring my child(ren) to school on the test date communicated to me by the school.

My child will already be attending school in person, and the bus will pick him/her up and drop them off as usual.

My child is being taught virtually; but we will put him/her on the bus on the ONE date our school asks us to do so.
