## PARENT NEWS

Shelby Oaks Elementary administrators recommend that parents are prepared to support their child's learning each day by planning to be available when they need assistance. This will ensure that learning is supported by both the online teachers and the adult present within the home setting.

We are expecting that the District will distribute Surface Go 2 tablets to every student very soon. You can find the schedule at <http://www.scsk12.org/accessforall/studentdevices.php?PID=1756>. The schedule and locations are determined by the District and tablets can only be picked up during the time designated for Shelby Oaks.

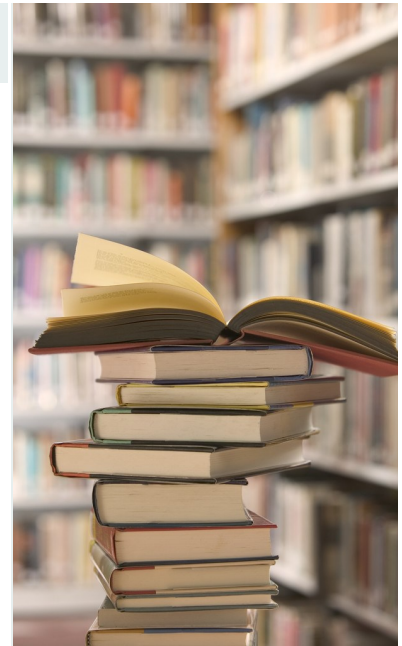

- The District will provide a Surface Go 2 tablet without a keyboard to all K-2 students and with a keyboard to grade 3-5.
- When picking up the tablets, parent listed on PowerSchool will be the individual getting the tablet and must have a driver's license.
- All assignments will be communicated through the District's learning management system CANVAS or through Microsoft TEAMS.
- Students will be provided classroom materials such as textbooks, workbooks, and other materials as necessary on August 25th.
- Communication for parents will occur primarily through Microsoft TEAMS, Class Dojo, and email.

## INSTRUCTIONAL DAY (8:15-3:15)

- There has been a change in the instructional day by the District this past week. All virtual students are expected to be present according to the instructional schedule from 8:15 am until 3:15 pm. You will be able to see the daily schedule on our website.
- Kindergarten will begin staggered entry during the week of the 31st. The second and third weeks of school will be half days for kindergarten students. Once the teachers have their student lists, they will be notifying parents about the first three schedules. Week two will be a full schedule for the kindergarten students.

## STUDENT ATTENDANCE

Student attendance will be monitored by the teacher every morning beginning at 8:15 am and recorded in Power School by our General Office Secretary. If a student is not logged on and present in their assigned teacher's Microsoft TEAMS virtual classroom by 8:20 am, they are considered tardy. Students not logged in for an entire school day will be considered absent. In the instance of a student absence, please submit a student excuse note via email to your child's teacher within 48 hours of the absence.
