

GRADUATION FOR NON-SENIORS:

Graduation for Non-Seniors: Students of non-senior status (grade 12) who meet the minimum standards established by the State Board of Education and earn the required 22 units of credit may receive a high school diploma. Please note, this does not necessarily qualify a student for the Early High School Graduation Program under the Move on When Ready Act. Students who wish to participate in that program must also fulfill all of the specified requirements of the act.

GRADUATION FOR STUDENTS WITH DISABILITIES:

Students with disabilities will be included in regular classes to the maximum extent possible and with appropriate support and accommodations. To earn a regular high school diploma, students with disabilities must earn the required 22 units of credit.

GRADUATION REQUIREMENTS

Shelby County Schools offers educational and employment opportunities without regard to race, color, religion, sex, creed, age, disability, national origin, or genetic information.

Preparing for High School

Prior to ninth grade, all students and their parent(s) or guardian(s) should meet with a school counselor or faculty advisor to create a focused course plan for high school. The plan is designed to ensure students meet all State and District requirements for graduation, while also helping students identify courses that match their interests and learning abilities. Course plans are reviewed each school year by the student and school counselor or faculty advisor. Plans may be revised based on academic progress and/or changes in the student's interests.

Becoming a Ready Graduate

Shelby County Schools is committed to helping every high school student become a "Ready Graduate." While "Ready Graduate" status is not a State requirement for graduation, it helps prepare students for success after high school by exposing them a variety of Early Post-Secondary Opportunities (EPSOs). These may include AP or IB courses, dual enrollment or statewide dual credit courses and career & technical training opportunities. You can learn more about EPSOs at scsk12.org/epso. High school counselors can also provide more information about the EPSOs available at each school.

Course Requirements for Graduation

English: 4 credits (English I, II, III & IV)

Math: 4 credits (Algebra I, Algebra II, Geometry & a Math course beyond Algebra I)

**Students must be enrolled in a Math course each year of high school*

Science: 3 credits (Biology, Chemistry or Physics & a lab Science course)
