

HIGH SCHOOL SENIORS!
Congratulations! You're about to graduate!
Are you ready for college?
COLLEGE STRONG
is hosting an
essay contest for college-bound students.

Choose one of the topics below and submit a well-written essay to our email address. Be sure to follow the specific instructions, or the selection committee will not read your essay. Each writer of the BEST four essays submitted by **Monday, May 30th** will be awarded with a free course registration to the College Strong course which begins 6/14/2021. All other entrants will receive a code for a significant discount of the regular \$299.00 registration fee.

The COLLEGE STRONG course curriculum provides the tools necessary to become a successful college student. Sadly, 1/3 of all college freshmen do not return for their sophomore year. COLLEGE STRONG shares tips and information that equips students to keep moving forward in their academic journey without stopping until the degree is in hand. The freshmen year challenges so many students. Are you ready? Contest Instructions:

- Respond to ONE of the topics below by creating a well-written essay. Attach the document to your email AND paste the essay into the body of the email as well.
- Typed, double-spaced, 12 pt. font, with a minimum 400 words/maximum 600 words.
- In the heading, include the following information: Your name, email address, name of the high school you attend, your city and state, and the name of the college you plan to attend, if you know. Send your submission to info@becollegestrong.com by **May 30, 2021**. If you want to see a list of

more specific essay guidelines, send a request to the same email address.

TOPICS

1. In thinking back over the past year and the Covid-19 disruption of our lives, what is the most important thing you have learned about yourself during this time?
2. Resilience is the ability to recover from a difficult situation, illness, crisis, adversity, or major life change. How resilient are you? Provide examples.
3. The world, with all of its technology, changes rapidly. With such an influx of new information, coin currency, virtual reality, AI, bots, etc..., how will we, as a society, remain in touch with humanity?
4. What is your highest hope for the future of humanity, and how do you plan to assist in achieving that goal?
