MESSAGE FROM YOUR RECRUITER

Alexis Guyton

Growing up in Memphis, I have seen the number of opportunities available to high school graduates dwindle. In 2014, a few months before I was supposed to walk across the stage as an Overton High School graduate, I was confused and frustrated. No one prepared me for life after graduation; they just said I should go to college and it will all come together. No one emphasized the other opportunities like a trade school, specialized training programs, or programs that will pay for my college tuition and give me a job after graduation.

Your Key to Success: Public Safety is a monthly newsletter created for high school students interested in exploring career opportunities in public safety, specifically as a Police Service Technician or as a Fire Cadet. I hope you enjoy learning about the different pathways to Public Safety and I look forward to seeing some of your faces soon!

"Only thing stopping you is yourself. It is a wonderful career and an opportunity to serve your city. Don't worry about what the crowd says. Don't try to follow the crowd or join the wave. Just do it!"

- Corey Douglas,
Police Service Technician

UPCOMING TESTING OPPORTUNITIES FOR MARCH

Once students complete an application for the Blue Path Program, they will be contacted by a recruiter to schedule an appointment for the Memphis Police Department Battery of Tests (BAT). It consists of 3 components:

- 1.5 Mile Run (17:38 min/sec)
- Physical Agility Test (2:40 min/sec)
- Written Exam

We have successfully completed the first BAT for this recruitment cycle and are scheduling students for the next one: **Saturday, March 27, 2021.**

It is imperative that students apply as soon as possible as we have a limited number of slots available due to COVID-19.
