We offer resources and programs, like the Office of Multicultural Student Life, which promote academic success, equality, and leadership development of students. Our Pride Center provides support, resources, and a community space for UT's LGBTQ+ and ally community.

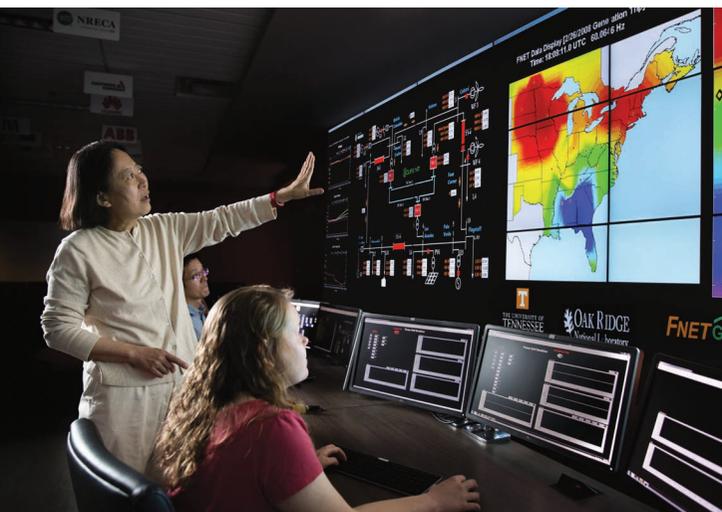

UT was recently honored for its commitment to first-generation students—nearly a quarter of our undergraduate students—and celebrated the opening of a Veterans Resource Center on campus. [diversity.utk.edu](https://diversity.utk.edu)

With over 400 clubs and organizations to join, countless service opportunities, and amazing teams to cheer on, you'll quickly find your niche and make new friends. [go.utk.edu](https://go.utk.edu)

### VOLUNTEERS FOR LIFE

## WHY KNOXVILLE?

Our 910-acre campus is situated in the heart of Knoxville, a thriving modern city with small town charm that is home to music venues, museums and galleries, and local sports teams.

UT is perfectly situated for outdoor adventure: our front yard is the Tennessee River, and our backyard is the Great Smoky Mountains National Park, with 800+ miles of hiking trails. It's no wonder *National Geographic* named Knoxville a Best Adventure Town.

We're conveniently located within a day's drive of nearly half the US population and just 15 minutes from McGhee Tyson Airport (TYS), which connects Knoxville to many major cities through 120 daily flights.
