

 SOUTHERN COLLEGE OF OPTOMETRY

PRESENTS

# SUCCESS IN SIGHT

A Live Webinar Series for High School Students

Every month, learn about all of the amazing professional, personal, and educational opportunities in optometry directly from current optometry students and optometrists!

**Episode 2:**  
**Optometry & Sports Medicine**  
Thursday, January 21 | 6 PM – 7 PM

## TOPIC

**What does optometry have to do with sports? How are optometrists improving the performance of athletes all over the world? What career opportunities exist for students who wish to combine medicine and athletics?**

These questions and more will be answered during this month's webinar! Featuring the SCO Sports Vision Society and Dr. Paul Harris, Sports Vision Specialist and SCO faculty.

**Questions?** Contact Avery Cunningham, Student Services and Admissions Officer at [acunningham@sco.edu](mailto:acunningham@sco.edu) or call 901-722-3227.
