**Thursday, March 4th, 2021  
5:00 pm – 7:45 PM CST**

Registration is now open for our Virtual College Fair on Thursday, March 4<sup>th</sup>, 2021! Sign-up to virtually connect with colleges and universities from around the country *for free*. Students can register at [www.strivescan.com/tennessee](http://www.strivescan.com/tennessee).

During the Virtual College Fair, you will have the chance to hear from many different colleges. You can choose which colleges you want to hear from by registering for their sessions. You and your family can ask questions of the college representatives throughout the presentations too!

### **Save the Date!**

While student registration is not yet open for all TACRAO virtual fairs, we thought it would be best to go ahead and provide the dates for future events for the spring semester. Below you can find the dates and times for the more events during the spring semester so be sure to save the date! Colleges and institutions are still registering for these events. Once registration for students opens on March 15 for these fairs, I will send out the registration information.
