DEVICES/CHARGERS

- All in-person students should bring their SCS technology device to class every day.
- Students should bring their device chargers and headsets. Please be cautious transporting devices to and from school every day.
- Devices should have a case and be transported in a padded backpack or bag if possible.
- Students should avoid packing their device with water, other liquids or food items that may spill or leak and potentially damage the device.
- For all device support issues and questions, parents and students should contact their school.

Increase Test Scores and Help Close the Achievement Gap

Parents, research has proven that there are twelve words that stump students when they take standardized tests. Students may feel intimidated or confused by these words, causing them to answer a question incorrectly when they know the correct answer. Take note of these words and use them with your child on a daily basis. Ask your child to use these words in their written responses to homework. By incorporating these words in your child's daily life, you will be helping to boost his/her academic achievement. The twelve powerful words are:

Trace, Analyze, Infer, Evaluate, Formulate, Describe, Support, Explain, Summarize, Compare, Con-
