December's Counselors Corner

What if you were told that you are changing the world right now? Would you believe it? A better future is being built by all of us right now, in the billions of small actions we take each day. Acts of care, love, and understanding extend outward, like the threads of a beautiful tapestry. Whether it's offering a kind smile, a helping hand, or an hour of your time—these acts have a way of rippling out, becoming part of something much greater. That is the power of radical generosity. That is the power of radical generosity. During this special time please remember that GIVING is just as special as RECEIVING!

Dear Parent or Guardian,

Each year the Tennessee Department of Education examines schools' performance across several different indicators to provide an overall look at how schools are serving the needs of all students. The department of education included the following indicators in its analysis of school accountability:

- Student achievement
- Student growth
- English learner proficiency exam (ELPA)
- Chronic absenteeism
- Ready graduate (high school only)
- Graduation rate (high school only)

More information on each of these indicators and the data used to define them can be found in the [2022-23 Federal Accountability Protocol](#). Under the federal Every Student Succeeds Act (ESSA), the department is required to use the school accountability results to identify those schools with the lowest performance and the lowest performance across student groups (e.g., individual racial/ethnic student groups, students with disabilities, economically disadvantaged, and English learners). These schools will receive additional supports from the department.

We are writing to inform you that (school name) is identified for Comprehensive Support and Improvement (CSI) as required by ESSA and the U.S. Department of Education during the 2024-2025 school year.

Our school is working hard with the district and the Tennessee Department of Education to increase student performance. We encourage you to help by participating in parent and volunteer activities to support students' academic growth and achievement.

Sincerely,

A handwritten signature in black ink, appearing to read "Dr. Tiaa Turner".

Our faculty and staff at Chickasaw Middle School will complete the McKinney-Vento Homeless Assistance Act to ensure that we are adhering to Federal programs expectations.

Here is a screenshot of a snapshot of what the law ensures as it relates to homelessness:

McKinney-Vento Homeless Assistance Act

- The law ensures support for youth aged 3 to 24 and their families, providing clear guidelines for Local Education Agencies (LEAs).
- Each LEA must appoint a Homeless Liaison to protect the rights of students and families experiencing homelessness and ensure that all students have access to Free Appropriate Public Education (FAPE).
