

Logging into Student Laptops

Use the following steps to log into the student laptops.

1. Make sure the device is connected to WIFI. (You must be connected to the internet for these steps to work)
2. For the username, please locate the **student number** (student numbers are located at the top of report cards, this is also your child's lunch number). Please see the example student number below.
 - a. **123456@student.scsk12.org**
3. The password is your student's birthday MMDDYYYY (2 digit month, 2 digit day, 4 digit year). For example: August 05, 2001 should be entered as **08052001**.
4. If you still can't access the device, call (901) 416-5300. Select option 1, and then option 2 to reset your password.
5. In order to reset the student password, you must be able to provide the last 4 digits of the student's social security number.
