KnightsCARE

“CARE-ing in Action”

Collaboration: We understand that all students have unique talents and contributions. We foster a sense of community among all members of our school. We ensure that every student, regardless of individual gifts and needs, can have the opportunity to learn the concepts and skills that he or she is ready to learn. We work together to solve problems, because we are better together.

Attitude: We listen to and learn from the ideas of others. If we disagree, we do so respectfully. We treat everyone—students, teachers, other members of the school community and the community at large—with kindness and consideration. We exhibit a positive attitude even when we are frustrated and/or disappointed. We bring joy into the world intentionally because the world is a better place because we were born.

Responsibility: We are responsible for ourselves, our community, and each other. We meet deadlines, submit quality work, and are on time for school, class, and other scheduled events. We understand how our responsibility affects others and we show our grit determination with responsible words and actions.

Effort: We try once twice, one hundred times, and never give up. We celebrate failures as learning and opportunities to collaborate, have a positive attitude, and respond with more focus and strategy.

7TH in Tennessee Middle Schools
According to *U.S. News & World Report*

Maxine Smith STEAM Academy Enrollment Requirements

All Students must have:

- Grades of A's and B's, with no more than one C as a semester average, on most recent report card.
- Score at or above the 65th percentile on **school-based administration** of the Illuminate FastBridge aReading and aMath assessments (2021-22) and/or i-Ready Diagnostic Reading and Math assessments (2021-22); or score at or above the 65th percentile on the TCAP Achievement English Language Arts and TCAP Achievement Mathematics assessments; or score at or above the 65th percentile on the Total Reading/Reading Composite and Total Mathematics/Mathematics Composite of an acceptable nationally normed achievement test. Acceptable tests must be administered **in person and dated Spring 2021 or later.**
- Have conduct grades of satisfactory or above.
- Have satisfactory attendance (no more than 15 absences and/or tardies to school or to class).

**Optional Applications begin on
January 25, 2022 at 10:00 a.m.**

The link will scroll on the Shelby County Schools website, [scsk12.org](https://schools.scsk12.org)

A valid email address will be required in order to submit the online application. Current SCS students are encouraged to use their PowerSchool student number. For non-SCS students, a social security number is requested. You will receive an email confirmation with the date and time of your application submission.

We are able to take between 120-125 sixth graders, three to four seventh graders and three to four eighth graders. Applications are processed on a first-come, first-served basis. However, sibling preference is a priority category. Because we have more applications than available spaces, 20% of our available spaces are selected through a lottery selection.
