# Roblox Club

## 8th Grade

*Dare To Imagine*

M. Shotwell, K. Smith, S. Clay, and  
A. Ross-Moore - Sponsors

The purpose of Roblox is for kids to have fun, but a huge side benefit is its ability to teach kids basic skills in coding, game design, and entrepreneurship skills that are all transferable to real life, whether it's a team project, extracurricular activities, or maybe even inspiring a career in STEM when they grow up!

# Archer A Cappella Group

Sponsor: Mr. Timmerman

Location: Choir Room

Do you love to **sing** and **perform**? Can you **beatbox** or want to learn how? Are you always singing along to your favorite songs...even the weird **guitar** parts?

If you answered yes to any of these questions, or you just want to see what this club is all about, then come join us! All grades are welcome to participate, and we are looking for 12-20 students.

In this club we will:

- Learn and perform songs in the contemporary a cappella style (think Pentatonix)
- Have opportunities to perform for others
- Learn vocal techniques for singing popular music
- Have fun!
