LUCY ELEMENTARY SCHOOL

Dear Prospective Eagle Family,

Thank you for your interest in Lucy Elementary School (LES). LES has been providing outside-of-the-box education Millington, TN for more than 50 years. LES strives to maintain learning curriculums that foster academic achievement while providing for academic, social, emotional, and physical growth. We understand the significance of making the right choice for your child and invite you to discover the rewarding experience of a high-quality creative educational oasis at Lucy Elementary.

Excellence is integrated into everything we teach at Lucy Elementary School. We view excellence as one of the foundations and structure keys to success in middle school, high school and beyond. High-quality learning experiences provides another strong foundation to knowledge, wisdom, and values. We are also proud to be able to offer a rigorous Social and Emotional education that is not offered by our public-school counterparts. Parents are delighted about our mission to “promote academic and non-academic excellence” in society. We will continue to work for the academic, social, emotional, and physical growth of our youth.

We believe that parents are the first teachers of their children. Together, through strong partnerships and involvement among the school, home, and community agencies, we will facilitate higher levels of student achievement. This partnership forms a powerful community united in the belief that social values and excellent academics will best prepare your child for the future. We expect our students to learn the importance of following the example that we show by helping others.

Our challenging education involves:

- 📖 Experienced and accredited teachers
- 📖 Advanced classroom technology
- 📖 Visual Arts/ Orff Music
- 📖 State of the art Science Lab
