

Mrs. B's Updates 1.31-2.4

Please read the following updates carefully and reach out with any questions you may have.

News and reminders: **Registration for 2022-2023 School Year is now OPEN!! Check the Richland Website!**

-devices coming to school charged is now a **NON-NEGOTIABLE** expectation for all students.

-If your child is going to be absent for several days due to exposure or a positive case, please let me know via email or Remind. We will get the work together and let you know when it is ready to pick up.

**Uniform Reminders: SOLID black , grey, navy or red light sweaters/jackets may be worn in the classroom. Richland Field Day shirts should only be worn on Fridays.

-**Reminder**Valentine's Day is coming up.We will pass out Valentine cards/treats at the end of the day on Feb. 14th. We have 23 students. Please make sure no cards are labeled with names. Each child will drop a card into each student's bag. Treats may include popcorn, fruit snacks, goldfish due to allergies in the classroom. **No candy will be passed out.**

-Feb. 15th is Parent Teacher Conferences.I am reaching to schedule meetings this week. .

-Upcoming Dates:

2.15-Parent Teacher Conferences

2.21- President's Day- No School

Our Week

Math: Fraction work continues!Remember that fractions are a MAJOR component of fourth grade math. The problem sets have been coming home each night as a guide for you to review with your child.

We will take our Mid Module 5 Assessment on Friday, Feb. 11th. We will complete a study guide in class and a copy will be linked here next week.

-Mixed math facts quiz on Friday (20 problems, 2 minutes)

This week: Lesson 13-19

Lesson 13-Reason using benchmarks to compare two fractions on the number line.

Lesson 14/15-Find common units or number of units to compare two fractions.

Lesson 16-Use visual models to add and subtract two fractions with the same units.

Lesson 17-Use visual models to add and subtract two fractions with the same units, including subtracting from one whole.

Lesson 19-Solve word problems involving addition and subtraction of fractions.

REMINDER!! EXTRA CREDIT OPPORTUNITY:

Between the dates January 24th-Feb.4th, students can work on the following skills in IXL: O1, O4, O5, New!, O6, O7 (In between O5 and O6, there is a skill titled "New! Identify equivalent fractions using number lines), P1, P2, P3

*9 skills are listed above. Students can choose 5 of those skills to earn a 100 SmartScore. If a student earns five 100 SmartScores on any of the skills listed above, they will earn a 100 classwork grade to be added to our gradebook.

Extra Credit is optional, but must be completed within the allotted time frame. Extra credit is for those students who do not have any missing assignments.

-Students will have homework nightly. It will be written in the agenda daily by the students. A charged device is now part of nightly homework expectation.

ELA:

Reading-**RL 4.6** - Compare and contrast the point of view from which different stories are narrated, including the difference between first- and third-person narrations.
