

Mrs. B's Updates 5.9-5.13

Please read the following updates carefully and reach out with any questions you may have.

Lots of things are happening this week, so please read the information below carefully.

-Discovery Park of America Field Trip rescheduled to Thursday, May 19th!!! Please remember: We will leave promptly at 7:30 AM. Students should arrive by 7:00 AM! No electronics, water and dry snacks only...All students will be required to wear a mask on the bus ride to and from the park. New Field Trip permission slips are due by MONDAY, May 16.

-Friday, May 20th is FIELD DAY!! Please be sure to apply sunblock to your child before school. Students may wear athletic wear and tennis shoes.

-Students will wrap up IReady diagnostic testing this week.

-Last Day of School: Friday, May 27th

Tennessee State law requires all public schools to teach Reproductive Health Curriculum to 4th and 5th grade students. We will show a "Changes for Boys" Video to the 4th and 5th grade boys, and the "Changes for Girls" Video to the 4th grade and 5th grade students during their Encore Class on Tuesday, May 17. Coach Gambino will facilitate the Growing Up Male and Puberty with Mr. Farris in the art room to the 4th and 5th grade boys during each encore class. Coach Howeth will facilitate the Growing Up Female and Puberty to the 4th and 5th grade girls in the library during each encore class. I will be sending you a copy of the letter to send home to all parents in their Wednesday Folder. [It is also linked here along with the videos.](#) **Any parent who does not want their child to watch the video should send me an email by Monday, May 16th**

Upcoming Dates:

5.19- Discovery Park Trip- be at school at 7:00.

5.20- Field Day

5.24- Mrs. B out for the morning

5.27- Last day of 4th grade!

Our Week

Math: No more math facts quizzes!! Please always review multiplication facts as they are now foundations to higher level math! We will spend some time on word problems this week and then we will have a few class projects and enrichment items after we finish up iReady.

Lesson 11: Solve multi-step measurement word problems

Lesson 12: Use measurement tools to convert mixed number measurements to smaller units

THE AMAZING RACE_Math Edition!

Reading:

Review standards: Summarize, Context Clues, Character Analysis, Events in a Story

We will continue reading our book *Bud, Not Buddy*.

No reading homework.

Social Studies: 4-04

We will start and finish the Civil War in these last two weeks. Students will follow the same format as in previous weeks: flashcards, study guide, review quiz. We will also finish A Long Walk to Water.

Science: 4-04

Homework: Choose a potential and kinetic energy activity to bring to school any day this week. The following blog has simple activities with youtube demonstrations to choose from.

<http://sciencebuddies.org/blog/potential-kinetic-energy-lessons>

If you'd rather record a video to show your potential and kinetic energy project, please use the 4-01 Science Flipgrid on Mrs. Barringer's page in Clever.
