

4-04 Weekly Update

8.30-9.3, 2021

News and reminders:

Please charge devices nightly and send to school daily with headphones. We will take Illuminate Screeners this week.

Recorders will be needed for Music class. Please call 323-8888 for Amro Music at Poplar and Humes or [visit this link to order online](#)

Mr. Kung Has Problems is a fantastic resource to use for homework help. Kiddos can also access lesson videos via Great Minds Clever.

Our Week:

Math: MID MODULE ASSESSMENT ON WEDNESDAY-Study Guide will come home Tuesday evening for review.

Expectations and Procedures: Please remember that a thin, black expo marker and the dry erase board are ESSENTIAL, non-negotiable items for every class, every day.

Module 1: Place Value, Rounding and Algorithms for Addition and Subtraction

Lesson 10: Use place value understanding to round multi-digit numbers to any place value using real-world applications.

Lesson 11: Use place value understanding to fluently add multi-digit whole numbers using the standard addition algorithm and apply the algorithm to solve word problems using tape diagrams.

Lesson 12: Solve multi-step word problems using the standard addition algorithm modeled with tape diagrams, and assess the reasonableness of answers using rounding.

Lesson 13: Use place value understanding to decompose to smaller units once using the standard subtraction algorithm, and apply the algorithm to solve word problems using tape diagrams.

We will take the Mid Module Assessment on Wednesday. I will go over a study guide in class. [The study guide can be found here if you'd like to work with your child.](#) Please remember that since the study guide is very close to the assessment, we will not offer a retake. [Students also have an extra](#)

[credit assignment that can be applied to the assessment that can be found here.](#) It is due on Monday 8.30.

Students will have homework nightly. It will be written in the agenda daily by the students

Friday: Math Facts Quiz 5's

We will take these weekly to ensure mastery of all facts. Students will have 2 minutes to complete 20 problems (504 and IEP will have time and a half as stated in plans or will take with Mrs. Liebenhaut).

Please remember that these will only count as 5% of final averages. Fact mastery is key as your children progress through math concepts and we will work on these for the entire year.

Social Studies:Pre French and Indian War-[all documents are available on my Assignments Tab, linked here.](#)

Expectations and Procedures: one subject spiral notebook is the ESSENTIAL , non-negotiable item for every class, every day.
