

# 4-04 Weekly Update

9.13-9.17, 2021

News and reminders:

Picture day is September 22, 2021. Uniforms are not required, however t-shirts with large logos and jeans are not permitted on this day. Masks will be worn until the picture is being taken and promptly put back on afterwards.

**I must reiterate the need for children to have a working pair of headphones to use during BOOST.** I am meeting with multiple groups daily and it can be distracting to hear others talking and music from iReady or other digital instruction.

Recorders will be needed for Music class. Please call 323-8888 for Amro Music at Poplar and Humes or [visit this link to order online](#)

Please take advantage of using Great Minds at home for homework help! The videos for the lessons are assigned to kiddos for the week.

**Please review the information that was sent home in the Wednesday Folder last week pertaining to Fact Quizzes. It is linked below in case you missed it!**

**Our Week:**

Math: **Module 1 Assessment will be on 9.15. A study guide is linked below.**

Expectations and Procedures: Please remember that a thin, black expo marker and the dry erase board are ESSENTIAL, non-negotiable items for every class, every day.

**Module 1:** Place Value, Rounding and Algorithms for Addition and Subtraction

Module 1 Assessment Study Guide- Monday

Lesson 17/18: Use place value understanding to decompose to smaller units up to three times using the standard subtraction algorithm, and apply the algorithm to solve word problems using tape diagrams.

Module 1 Assessment- Wednesday

Module 2 Lesson 1 -Express metric length measurements in terms of a smaller unit; model and solve addition and subtraction word problems involving metric length.

**We will take the Module Assessment on Wednesday 9.15 . I will go over a study guide in class. [The study guide is linked now for anyone who would like to get ahead.](#) . Please remember that since the study guide is very close to the assessment, I will not offer a retake.**

**Students will have homework nightly. It will be written in the agenda daily by the students**

**Friday: Math Facts Quiz- Per student basis**

**We will take these weekly to ensure mastery of all facts. Students will have 2 minutes to complete 20 problems (504 and IEP will have time and a half as stated in plans or will take with Mrs. Liebenhaut).**

**Please remember that these will only count as 5% of final averages.** Fact mastery is key as your children progress through math concepts and we will work on these for the entire year. I will offer TWO chances to pass the quizzes and record grades each Friday. [Please review the letter linked here for clarification.](#)

**Social Studies: 4-01 (2 weeks) Assignments are linked on Assignments Tab**

Monday:
