

Richland Elementary loves to support our community. Please help us keep our citizens warm. Bring items to Richland 11/15-12/15. Donation bins will be in the main hallway. Thank you!

Community Alliance for the Homeless

Community Alliance for the Homeless (CAFTH) is currently working on winter care backpacks. The bags are given out at COVID testing events in our community. They are also distributed to our partner organizations and given out to unsheltered members of our community during wellness checks. Please consider participating in a donation drive for these items.

- Fleece Blankets (twin size/portable enough to be easily carried)
- Socks (adult sizes)
- Winter hats
- Winter gloves
- Rain ponchos
- Mylar Emergency blankets
- Unused travel sizes of shampoo, soap, face wash, deodorant, or lotion
- Toothbrush/sample size toothpaste

Please do not include any used, expired or opened items.

Thanks to the support of people like you, CAFTH is able to serve our community as the agency to coordinate efforts to end homelessness. The Alliance works with the City, County, and many local service providers to help people get off the streets and into permanent housing. We are proud to support local service providers with funding, strategy, and coordination.
