devices coming to school charged is now a **NON-NEGOTIABLE** expectation for all students.

-If your child is going to be absent for several days due to exposure or positive case, please let us know. We will get the work together. Please note that students who are absent are responsible for learning the material that is missed in class. Although we will definitely review and answer questions, we cannot reteach a full week's worth of materials to individual students. Students must turn in any work missed upon return. Thank you for your support.
