

4-04 Weekly Update

10.18-10.22, 2021

News and reminders:

Note from office: The office is overwhelmed with the number of tardies that are coming in each day. Please note that school begins at 8:15 AM. We begin instruction as soon as announcements are over. Fourth Grade starts BOOST at 8:15. We pull students individually and in smaller groups to work on skills that need extra practice and enrichment. **Please have your student to school on time so that they do not miss this extra learning opportunity.**

Make up pictures: October 21st

Veterans Day: November 11

Thanksgiving: November 22-26

Please take advantage of using Great Minds at home for homework help! The videos for the lessons are assigned to kiddos for the week. Mr. Kung has Problems is also a great resource! Remember that videos are assigned for the week's lessons for every child.

Our Week

Our next assessment is tentatively scheduled for Wednesday, October 27th. (Mid-Module 3 assessment) This assessment will REQUIRE that students know multiplication. A study guide will come home with students on Oct. 25th. [The study guide is linked here for anyone who would like to start preparing.](#)

Module 3: Multi- Digit Multiplication and Division Lessons 7-11

Science 4-04- 2 weeks:

Unit 2: Energy

Lesson 1: Speed and Energy

4.PS3.1: Use evidence to explain the cause and effect relationship between the speed of an object and the energy of an object.

SWBAT observe, analyze, and interpret qualitative data that describes the degree of change in the shapes of two objects that have collided **IOT** explain that the speed that an object moves is directly related to the amount of energy it has.

SWBAT engage in an argument from evidence of the relationship between speed and energy **IOT** establish the reciprocity in the speed/energy relationship: more speed means something has more energy and adding energy to an object increases its speed.

Let's make it a great week and May The Fourth Be with You!
