

4-04 Weekly Update

10.4-10.8, 2021

News and reminders:

Please make sure to send your 1\$ for the ELA Virtual Field Trip.

Kiddos will be welcome to bring their own snacks to school after fall break, but I will no longer be collecting/providing class snacks to hand out. Water bottles should come to school filled, labeled and with the lids secure.

I need your help! We are still working to have Perfect Attendance to have a **MECHANICAL PENCIL** day in class. We are working on 10 Tardy/Absence free days to earn the pencils! We can earn it this Friday!! This is a SURPRISE for the class, so please do not tell them.

[Feel free to contribute to the 4-04 eWallet for the Book Fair here! The Book Fair runs online until October 10th.](#)

Please take advantage of using Great Minds at home for homework help! The videos for the lessons are assigned to kiddos for the week. Mr. Kung has Problems is also a great resource! Remember that videos are assigned for the week's lessons for every child.

Our Week

[Place Value Study Guide Linked Here](#)

Place Value Final Assessment Wednesday, October 6th.

Module 3: Multi- Digit Multiplication and Division Lessons 3-8

Lesson 3: Solving Multi-Step Area and Perimeter Word Problems

Lesson 4/5: Exploring Patterns when Multiplying by 10, 100, and 1,000/Multiply multiples of 10, 100, and 1,000 by single digits, recognizing patterns.

Lesson 6: Multiplying Two-Digit Multiples of 10 with the Area Model

Lesson 7: Multiplying Two Digits by One Digit Using Place Value Disks

Lesson 8: Multiplying Three and Four Digits by One Digit Using Place Value Disks

Key Vocabulary: Area, Perimeter, Formula, Product, Compare, Multiplicative, Equation

Students will have homework nightly. It will be written in the agenda daily by the students

Friday: Math Facts Quiz- Per student basis

We will take these weekly to ensure mastery of all facts. Students will have 2 minutes to complete 20 problems (504 and IEP will have time and a half as stated in plans or will take with Mrs. Liebenhaut).

Please remember that these will only count as 5% of final averages. Fact mastery is key as your children progress through math concepts and we will work on these for the entire year. I will offer TWO chances to pass the quizzes and record grades each Friday. [Please review the letter linked here for clarification.](#)
