

Mrs. B's Updates 3.7-3.11

Please read the following updates carefully and reach out with any questions you may have.

News and reminders:

4-04 has 100% registered for next year! Thank you!

We have had an increase in incidents in the cafeteria involving behavior. Please review the expectations for Richland Redhawk behavior both in the classroom and elsewhere in the building. Fourth graders are becoming more and more responsible and this should absolutely apply to behavior as well.

I need your help with.....

-charged devices AND headphones should be at school daily

-snacks should be popcorn, goldfish, fruit- candy, cookies and cupcakes are not permitted

Fourth graders will take a mock TNReady test next week. The purpose of this is to stage what it will be like for us to actually take the test in April. It's important to get a good night's sleep and eat breakfast in preparation. I'll use the data from the practice to practice skills that may need a little extra focus. I'm always happy to answer questions if you have them . Students will take Math, ELA and Science.

-TNReady testing will begin on Monday, April 18th. Testing will take place in the mornings for 2 weeks. Students will begin with reading testing. Please be mindful of appointments during these two weeks if at all possible.

Upcoming Dates:

3.8-3.9- Mock TNReady Testing

3.10- Mastery Connect Math

3.14-3.18- Spring Break

4.15- No School- Good Friday

Our Week

Math: Fraction work continues! Remember that fractions are a MAJOR component of fourth grade math. We will finish up Fractions after Spring Break and head in to Module 6- Decimals!

-Lesson 36: Represent the multiplication of n times a/b as $(n \times a)/b$ using the associative model and visual models

-TNReady practice

-Lesson 30-34 Assessment

-Lesson 37: Find the product of a whole number and a mixed number using the distributive property

Following Spring Break, we will finish module 5 and will begin Module 6: Decimals!

Due to TNReady practice test, addition/subtraction fraction test, and end of quarter, NO MATH FACTS this week

We will have another assessment on March 9th covering through Lesson 34. Students have the completed study guide with them to study over the next few days.

I will offer an Extra Credit opportunity during Spring Break for the 4th Quarter. Continue to check grades in PowerSchool. I encourage you to have conversations around your child's learning daily. Please take advantage of Extra Credit when it is offered.

-Students will have homework nightly. It will be written in the agenda daily by the students. A charged device is now part of nightly homework expectation.

ELA:

Reading- Review Standards: RI.4.1 Inferences, RL.4.1 Text Details, RI.4.2 Main Idea, RL.4.2 Theme

Grammar-Adverbs

Spelling-Words with/en/

Beginning March 21st, students will begin a Reading and Editing Task for homework. More information is to come- be on the lookout

shaken	widen	often	penguin	ridden
robin	wagon	cousin	raisin	muffin
skeleton	proven	reason	button	common
woven	sunken	dragon	cotton	eleven

Social Studies: 4-01 Chapter 14 A Growing Divide
