

Good afternoon Macon-Hall families!

I hope you are all doing well and staying safe and healthy! I wanted to send out a few updates as we wrap up before winter break. The last day for students before winter break will be Friday, December 18th.

- All technology repairs are now turned in at the school level. Our office is open every day from 7:30am-9:30am to accept your broken devices (please see attachment).
- All In-Person or Virtual selections should have been made by now. We cannot allow any changes from Virtual to In-Person Learning, however if you chose In-Person and want to switch to Virtual, we can accommodate that request. Please contact me and I can make the change for you.
- If you have selected In-Person Learning, please join the Remind group (information attached) and please complete this survey and designate your child's mode of transportation for January. <https://www.surveymonkey.com/r/9T37CK6>
- When we return to school in January, our hours will return to 9:15-4:15. All students, whether Virtual or In-Person will adhere to these hours. If for some reason we do not return to any In-Person learning, the hours will remain 8-3. This is due to bus transportation.
- YCare before and aftercare registration opens December 14th on [www.ycamemphis.org](http://www.ycamemphis.org). This is all handled through the Y.
- Winter Break is December 21-January 4. First semester doesn't end until February 4th, so the next report card will not be posted until February 17th.

Lastly, I want to thank all of you for your dedication to making this school year the best it can be during this situation. Our teachers have risen to the occasion, as have the students

and all of you. I hope you will take the time to shower your teacher with holiday wishes and "thank you's" as we head into the break. Their commitment to Macon-Hall families is immeasurable. If you would like to drop off any holiday gifts or notes for your teacher, the office is open every day from 8-4. Please drop anything off by December 17th so we can be sure it gets delivered to your child's teacher.

Thank you again, I hope you all have a wonderful holiday season!

As always, please reach out if you need anything!
