Our Mission

Melrose High School is dedicated to providing a positive setting that promotes the intellectual, physical, and social development of each student. The Melrose Community will address the needs and interests of students in all levels of academics and extracurricular activities. We will work cooperatively to ensure that students emerge from school as motivated, focused, well-adjusted adults and productive, responsible citizens.

Academics Course Offerings

At Melrose High School (MHS), we provide high-quality, appropriate and rigorously challenging instruction to students by planning focused lessons using the Tennessee Academic Standards. Students are challenged to learn and achieve through large group, small group and individual instruction. Students are cognitively engaged in learning by our teachers.

MHS builds futures by empowering each child to become a productive citizen and a lifelong learner. We are also committed to encouraging and fostering academic, emotional, and social success in all students. We aim to do this with the help of our faculty, families, and community through providing opportunities for intervention and enrichment based on each student's individual needs and goals.
