SEMESTER EXAMS -

2/2 - 2/3

END OF SEMESTER 1 -

2/4

Finish Strong, Begin Stronger

As we turn the corner towards the end of a very challenging semester one, we look forward to finishing strong and beginning semester two even stronger. Our Bulldogs have stepped up and taken full advantage of the learning opportunities provided by our dynamic teaching staff.

We will continue to do so and definitely need your continual support, together we're stronger.

During the 2nd semester, we are going to continue to challenge our students to ensure they are ready for the rigors of the next grade level and the approaching college matriculation for our Senior class of 2021!

Even in the midst of a pandemic, we know their dreams for their future haven't changed and we are committed to supporting them along the way.

Let's finish strong with one last big push this week and semester exams the following week. Then let's set our goals for semester two, even higher. We are Middle College!

Peyton Tripp
3rd Place Prepared Presentation

Distinguished MCHS ladies competed as Distinguished Young Women

We are so proud of three of our seniors who represented themselves, MCHS, and the greater Memphis area during the 64th Distinguished Young Women of Tennessee competition which is part of a national scholarship program that promotes and rewards scholarship, leadership, and talent.

Great job ladies!

Our Great Debaters!

Our debate team participated in their first competition of the year. All of these debaters were brand new and did an amazing job. Team results are still being processed. However, here are the top finishers for individual speaker awards:

America Ramirez - 2nd place

Nyla Battles - 4th place

All participants represented MCHS with class and poise.

Great job 1st-time debaters!

Congratulations to all participants:

Kera Armstrong

E'Kijah Turner

America Ramirez

Nyla Battles

Kishania Fentress

Trinity Harris

Ashe Moulden

CorNya Cobb

Pre-Health Society

Shining Bright!

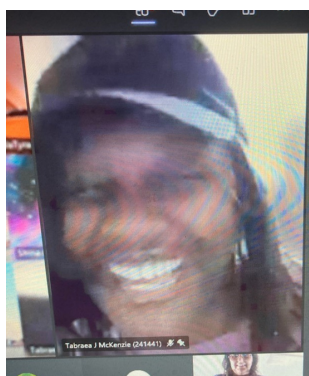

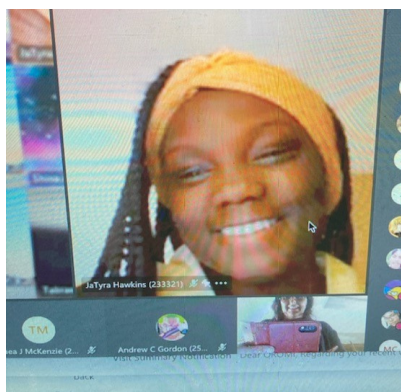

The Pre-Health Society sponsor, Dr. Williams wanted to provide some highlights from our pre-health society. Dr. Marcus Hudson was the guest speaker for this week's Pre-Health Society club meeting. He shared with the students his journey to obtaining his doctorate in physical therapy from the mighty UTHSC ☺, all that his job encompasses, the range of salaries of the profession, suggested college majors that would best prepare them for the field, and enrichment opportunities that they should pursue if they're interested in becoming a physical therapist.

Next Thursday their guest will be a medical officer in the Navy who has a background in nursing. Dr. Hudson expressed how impressed he was with their engagement and in-depth questions. He even stated that he would allow shadowing opportunities for those interested in the field whenever the world reopens after the pandemic. **Way to be shining stars!**

Cooking with Class

Tabrea McKenzie and JaTyra Hawkins engaged the cooking club this past week with the ins and out of making delicious rotel. Great job ladies, Yum!
