**SEMESTER HONORS**

On Monday some of our Bulldogs will return to the school building for instruction. All of our Bulldogs will not be returning, but having students in the building signifies a shift in our abilities to serve our students and progress with navigating education in the midst of this pandemic. Our teachers are excited and have worked diligently to provide instruction that is rigorous, engaging, and preparing all of our students for the next level.

Please speak to your student this evening or sometime this week to review their progress, discuss designated study time, mental/emotional health, and celebrate their progress thus far. This journey has not been easy and we are here to support our students as best we can. As we shift gears, we will continue to work hard, celebrate progress and support our Bulldogs to success. **Champions always seem to find a way to rise.**

**We are Middle College!**

## Happening this Week!

Hello Bulldog Parents,

Due to the shift in students returning to the building, the district has allocated Monday and Tuesday as asynchronous days for our students. However, our teachers are dedicated to keeping our students on track, as we lost time with TEAMS technical difficulties last week.

**Please have students check their classes on TEAMS every day, on time.** Based on the teacher, course, academic progress, or individual course needs, some classes will be **LIVE on Monday and Tuesday.**

**CBU Courses will continue as normal, as they operate on their own schedule.**

With end-of-course testing and AP testing approaching, it is imperative that our students complete all of their work to stay on track and perform successfully.

**Students should work normal school days from 8:15 am - 3:15 pm, daily.**

## Students Returning to School Tomorrow

We look forward to seeing some of you in the building tomorrow! Doors will open at 7:45 am and students should arrive prior to 8:15 am.

### Things to know:

- 1.) Families should enter through the YELLOW gate and proceed to the MAIN entrance through the front driveway to drop off students.
- 2.) Students should be dressed in the appropriate uniform, including a mask, have their laptops fully charged, laptop cord, and a bottle of water.
- 3.) Dismissal will take place through the yellow gate and into the back of the building between the cafeteria and gym.

## Return to Sports!

If you are interested in any of the Spring sports below, please fill out this FORM immediately. Documentation and verification are needed prior to students participating. Please contact the coaches for a specific sport, if interested.

**Our Bulldogs are constantly doing amazing things, we are so excited to highlight them!**

**Shout out to Mme. Floch's Contemporary Issues class! They just culminated a great sequence of their work with an informative session and Q&A with Clifford Stockton, candidate for Tennessee General Assembly, House District 97. The students did an amazing job preparing, discussing, and representing MCHS. We truly appreciate Mr. Stockton as well for taking valuable time with our students!**
