TESTING SCHEDULE

CELEBRATING OUR BULLDOGS

BULLDOGS ON THE MOVE

PARENT OPPORTUNITIES

A big thank you goes out to all of our Bulldog family! From our teachers to our students, to their parents, 99.65% of our students completed their EOC testing! That is extremely remarkable but, We are Middle College, so I expect nothing less. This week we continue with our advanced placement testing. According to the district's revised policy, in order for a student who is passing their courses, to be exempt from all exams, students must take not only their EOC but also their AP exams. It is imperative for students to take their tests and do their best! Students who do not sit for their AP exams, will have to take ALL of their finals. We are looking forward to some end-of-the-year enrichment, Bulldog days, and fun after a long year. However, we must finish our testing strong.

Champions always find a way to rise!

May 2021

Monday	Tuesday	Wednesday	Thursday	Friday
Practice AP ¹⁷ Biology/AP Physics exam	¹⁸	¹⁹	²⁰ Submissions due for: AP Art, Comp Sci, Seminar	²¹
²⁴ AP Physics Arrival: 11:00am Dismissal: 3:00pm	²⁵	²⁶ AP Language Arrival: 10:00am Dismissal: 3:00pm AP Comp Sci, AP Seminar 3pm	²⁷ AP Biology Arrival: 10:00am Dismissal: 3:00pm	²⁸ AP Human Geography Arrival: 10:00am Dismissal: 3:00pm

Testing Protocols

- AP testing students should arrive at the designated time listed on the calendar above. If a student arrives early, they will report to the auditorium until testing begins.
- All students will have their temperatures scanned upon entering
- Uniforms are not mandatory; however, appropriate attire is. No revealing or inappropriate clothing.
- Masks must be worn at all times while in the building, except when eating or drinking.
- Testing rooms have been adjusted to ensure social distancing and small teacher-student ratios.
- Lunch will be available each day of testing. As weather permits, students may enjoy lunch outside.

AP[®]

 **CollegeBoard**

What if my student doesn't have an AP test on a specific day, or at all, what do they do?

- **School is back in full swing. Unless your student has an AP test on a specific day, they should log on to class using our regular bell schedule, beginning May 17th.**
- **Tested subjects (AP exams)**
 - Students will be excused from all other coursework on the day where they have an AP exam.
- **DE Courses**
 - DE courses begin semester exams this week. Please encourage your student to finish strong.
 - Reminder: Students who are unsuccessful in DE courses, jeopardize future participation in the DE program and limited course selection.

Students who were in-person learners PRIOR to testing should resume attending school in person tomorrow, May 17th.

Important Advanced Placement info

AP testing begins soon. We want our students to be prepared and do their best. However, they must adhere to **ALL** of the rules and guidelines for these digital tests.

The college board is connected to both their AP and ACT info. Getting a low score won't hurt or hinder their college opportunities; however, cheating or not following the guidelines set forth will have a tremendous impact.

Please discuss with your student regarding testing rules, doing their best, and preparing for the test!

CHECK THIS OUT!

◆◆◆ **FACT**

Textbooks and notes are not permitted for digital exams administered in school. We understand that students taking digital exams at home may have access to these materials, which is why these exams were specifically designed to not include any questions that can be answered with internet searches, textbooks, notes, study guides or similar material. The exams are also designed to assess only the exam taker's knowledge, and post-administration analyses will be conducted to identify plagiarism, collaboration and use of unauthorized aids.

💭 **MYTH**

Digital AP Exams will be open book/open note.

What's coming for the 2021-2022 School Year?????

As an unprecedented year comes to a close, we are looking forward to amazing things in the years to come. You, as a parent, are an integral part of our growth and continued success. We are making adjustments, enhancements, and shifting policies to ensure we provide all the necessary resources and supports for our Bulldogs to become self-motivated, self-disciplined, and socially responsible individuals.

Please join us on **Tuesday at 5:30 pm**, for our meeting.

3rd place Overall City Championships
Boys and Girls

Bulldogs on the Move...

Top Writers!!!

Congratulations to our April, writers of the month. We have been so impressed with all the essays we have received this year. MCHS truly has some talented writers.

1st place - Tabrea McKenzie

2nd place - Nyla Battles

3rd place - Ikia Booker

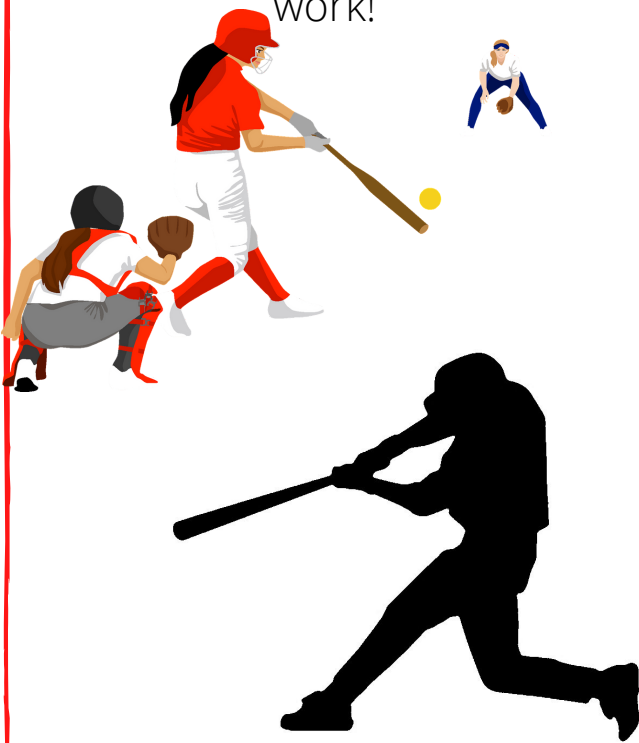

Blazing trails and leaving marks...

Congratulations to **Nina Collymore** for her work with SCS Student Council. Dr. Walker, director of student affairs wanted to begin a new tradition recognizing student contributions to the district. Nina was awarded the first-ever scholarship named in honor of Dr. Walker's father, Billy Walker, Sr. What an awesome honor! Well deserved Nina!

Bulldogs on the Move...

Congratulations to our Baseball and Softball team! After a lot of delays, rainouts, and hard work, MCHS came out victorious! Special shout out to Coach Jones and Coach Brown for all of their hard work!

Bitter Sweet ending...and a new beginning!

From the desk of Mrs. Stephens...As my career journey takes a turn, it is bittersweet that I say goodbye to Middle College High as an employee. I take with me many fond memories and friendships that I hope will last a lifetime. However, I'm still a parent! So PTSA and Booster Club parents, we still have work to do...TOGETHER!!!

#bulldogtuff4life

Are you involved??? We need you!

The PTSA is an imperative part of the MCHS experience. The more families are involved in sharing their thoughts, ideas, and resources, the more our students and school community are supported. In turn, the school thrives, our teachers thrive, and most importantly, our students thrive. As part of our MCHS compact, families commit to being involved in their student's academics, activities, and support structure. There is now a way to join online.
